Shri Dinesh Tuteja,  
M/s Medico Pharmaceutical Processors,  
P.O. Box 109,  
Amritsar.

Dear Shri Tuteja,

I am in receipt of your encouraging letter dated March 06, 2005 alongwith appended handbill conveying the details of utility items manufactured by your captioned small scale industry. I am indeed pleased to learn that your industry is a Sate Productivity Award Winning (1<sup>st</sup> Prize) and Government recognised Export Processing Unit. I offer my heartiest felicitations to you for being crowned with this meritorious award.

I have the honour of personally using your ELECTRIC BLANKET, which for me is both cozy and comfortable. I am proud to learn that you are the first person in India to manufacture this ELECTRIC BLANKET and other Health Aids, which are indeed of great requirement, relief and productive utilisation for the patients as well as the senior citizens, particularly in the hilly areas and cold areas on foot hills. This product has enough merit to be acclaimed and proudly mentioned. It would help greatly in providing human comfort and reducing the human suffering. This scientific innovation in the field of human resource development, I am sure, will receive world-wide attention and appreciation.

I am pretty certain that the products manufactured by your reputed firm shall catch the eagle attention of the requiring public. I wish you all the success in your venture and hope that you shall continue to come out with products of human consumption and comfort. I feel that in this age of globalisation and cut-throat competition your products will meet the requiring standards of survival of the fittest.

With a wish for your supreme success in the competitive market.

Thanking you.

Yours faithfully,

( Dhani Ram )
